The Shower And The Glory...

I'm a student which means I'm always skint, so I got a job as a part time cleaner at the local sports club and work in the evening after the football clubs finish.

I've only been doing it a few weeks and the only perk is seeing all the fit lads in their kits.

While I wait for them to shower and clean up I can only fantasise about being in there with them!

Last week I got woken from my dirty thoughts by one of the players coming out the changing room. As I'm quite shy I went bright red but managed to get out a "Hi!' to the sexiest bloke!

As I cleaned up the showers I couldn't get the guy out my head and wished that I could have been standing in the same spot half an hour ago as he was naked, wet and all soaped up.

As I imagined his sexy body touching mine and undressing me I sat down on the benches and started to touch my pussy.

Getting totally carried away I was wet though my panties and the steam for the showers made my clothes stick to me, making me hot and horny. As I was about to orgasm I opened my eyes and screamed. The gorgeous bloke was watching me! I sat up and tried to pull my pants back on.

Coming right up to me and sitting me back down on the bench, he told me what he just saw was the biggest turn on he'd ever had. After a moment's thought I confessed that I was imagining him fucking me.

Without saying a word he stood up and took off his shorts, releasing his cock, and before I knew it we were in the flood sliding around fucking like crazy!

Ripping off the rest of my clothes and turning on the showers he lifted me up and shagged me again the wall. Grabbing the soap with I spurted it over my tits and his chest. As our bodies rode up against each other the foam slid in between our nipples. I pulled out of him and sank to my knees taking his cock deep down my throat, the hot water pouring down my face.

I lathered up his balls and grabbed at his firm sexy arse. I could soon feel him spasm and as he came, his thick creamy cum spurted all over my tits.

Lying down and rubbing his cum all over my body I felt his fingers enter me and his tongue lapping at my cunt. I didn't take long for me to cum.

Sitting up I licked my juices off his face and realised what had just happened!

What a fuck! I hope these pictures that he took of me the next day get you as horny as I was!

Gill, Kent.

Doggin' Heat!

I nearly choked on my drink when my boyfriend asked me if I would try dogging. I knew what it meant of course, it's just that I had a hard time understanding why it would turn him on to watch me with other men. He took some time to explain carefully that it really would turn him on to see me with other guys, and that it would be exciting and we should at least try it.

It was a real turn on to plan it, when, where and what I would wear, so when I found myself parked up in a layby with him some weeks later my heart was racing.

We had chosen a very short black dress with stockings, suspenders, a thong and some killer heels.

There were a few parked cars and a few guys lurking in the darkness until my boyfriend switched on the interior lights in the car and told me to lift the hem of my dress up and start to play with myself.

One guy sort of slid past looking in, then came back and looked in the window when I noticed that he had his cock out. My boyfriend told me to wind the window down and to show myself off to him, so I pulled my panties to one side and started to slide a few fingers into my pussy.

He started to wank himself and within minutes the car was surrounded by guys, all with their cocks out.

I pulled down the top of my dress and a few guys started to put their arms through the window and pull at my large 34 breasts and nipples. A few reached down and started to rub my stockings, though they were very polite and didn't go near my pussy.

By now I was super turned on and my boyfriend was happily wanking away when he suggested I get out of the car. I did as he suggested and immediately felt really exposed. I knew my boyfriend was keeping an eye on me, but all these guys with their cocks out felt quite intimidating.

I thought I would do what I know best and got down on my knees and within seconds I found a circle of wanking cocks around me of all sizes and shapes. I took the one nearest and slid it into my mouth, wanking it as I sucked it. Then I moved onto the next, taking each one in turn.

A couple of guys came almost straight away shooting their cum over my exposed tits, but some stayed hard in my mouth. I looked back over to my boyfriend who had got out of the car and was watching me wanking his cock. He nodded and I knew what that meant as I walked over to the bonnet of the car and lay down on my front on it, parting my legs.

It wasn't long before I felt the first cock slide into me from behind and it turned me on more than I ever could have imagined fucking these strangers. I couldn't tell if it was the same guys going in and out of me and passing me around or if it was a long line of them but I was getting one hell of a fucking and my knees were trembling so much that I almost collapsed.

Eventually they had all cum and I got back into the car having to sit on a towel on the way home, spunk still in my hair and on my tits. My boyfriend loved it, and I must confess, so did I!

Emma, Swindon.

Tonya

Tonya might share an unusual name with a well known figure skater, but that's about the only thing they've got in common…

"I tried ice-skating once, but it was terrible – I couldn't let go of the side for an entire hour, and then my feet hurt from the skates. No, if I've got to pick one indoor sport to keep me active during the winter, I'd much rather something that doesn't involve ice, uncomfortable footwear or, in fact, having to stay vertical!"

Ah, we get the idea!

Lap of Fuck-sury

I want to share the most amazing red-hot experience I've ever had.

It was a Saturday night out in Cambridge and my husband was taking me to a new lap-dancing club.

It was the first time I had ever been to one of these and my sense of anticipation was intense.

As I walked up the stairs to the bar I was greeted by a gorgeous woman wearing the sexiest red underwear.

We looked at each other for ages – the chemistry was unbelievable – before my hubby got drinks and led me to a table.

The woman soon came over, introduced herself as Amber and offered to dance for us both. I could feel my pussy getting damp with lust as she took me by the hand and led us to a booth.

She sat me down on a flaming red couch and spread my legs. I felt her pressing her body up against mine and kissing my pussy through my thong.

She slipped out of her bra to reveal two perfect tits and then showed off her delicate hairless pussy.

She ran a finger over her clit and into herself then offered me her finger to taste.

I looked across at my husband who had a massive bulge in his pants and a grin on his face.

He went to get another drink and Amber whispered to me, "I want you to go through the stage door next to the toilets in 10 minutes."

I told my husband I was going to do it and he gave me his blessing. I walked through and she grabbed me as soon as I came in. She pulled me into a corner and started kissing me.

She strummed my clit with her fingers and sucked on my nipples. I felt three thrusting fingers in my cunt deep and hard until I came all over them. She slowly pulled them out and licked them clean. "My my you taste as good as you look," she said.

I made my way back to my patient husband and as I told him what happened his lust was rising.

He dragged me out to the car park, lifted me on to a car bonnet and hitched up my skirt. I tugged at his belt, reached in and grabbed his thick cock and pulled it into my hole.

He fucked me hard, getting faster and deeper. I was bursting with orgasm after orgasm. He was close to exploding and pulled out so I dropped to my knees and took his shaft in my mouth.

He exploded with a burst of hot cum. I swallowed it all and sucked on the head to get every last drop of fluid.

We sorted ourselves out and made our way to the next club across the car park.

Two of my husband's mates were near the bar and we went to say hi. I was still randy as fuck and when someone knocked me onto Mick I could feel his cock had been getting hard listening to me.

I commented on how appetising it felt and his mate Wayne said there is more here too, and put my hand on his hard crotch. My husband leaned in and said to me, "Shall we all fuck?"

My eyes opened wide with lust for three horny fellas working my body.

He asked them if they were both up for it and when we left in a cab I started to lick each of the juicy thick cocks thrust into my face.in turn.

When we got back to Mick's flat we burst through the front door removing our clothes.

I jumped on to the settee and Wayne slipped in under me, inserting his cock in my pussy. I started to ride him as Mick and my husband presented their cocks to my mouth.

I took them in both in the corners of my mouth as I rode Wayne's big fat tool.

We swapped ends many times so I was always topped-to-tailed.

Mick and Wayne were doing my arse and pussy at the same time, orgasms firing through me at an uncontrollable rate.

CONTACT ME

My legs were shaking and my breathing deep and fast as all three pulled out and exploded all over my face and chest, covering me with delicious cum.

I mopped most of it into my mouth, savouring the taste and then chilled out for a bit before we decided to arrange another session in the near future. I can't wait!

Tori, Cambridge.

JESS

This might be the first time Northern lass Jess has appeared in a mucky mag, but that doesn't mean it's the first time her pussy has had a public airing...

"My last boyfriend was always going on about how he fancied shagging outside, and in the end I thought I'd give it a go. We ended up in what's quite a well known local dogging site, and as he was licking my pussy on the bonnet of the car I suddenly realised we had 7 or eight spectators! I came so hard I decided there and then that I like being watched, and we went back loads of times after that!"

REAL WIFE SEX

It don't mean a thing if you ain't got that ring!

"Cupping his shaven balls with one hand, I fed his cock-head into my throbbing slit..."

I am a newly-wed young woman who believes that once the wedding ring is on a girl's finger she should remain faithful to her man. However, on my hen-night the only ring on my finger was my engagement ring, and if temptation came my way, I knew that I would surely make the most of it.

That temptation came in the form of Mike, the stripper my gal-pals had hired for my hen-party, which was held at one of our local nightclubs. The staff had been very welcoming and as I was more than a little merry by the time the stripper gave his little performance, I didn't hold back. Perfectly willingly I allowed myself to be led on to the dance floor by this sexy hunk, who had just removed all his clothing and was busy rolling off his tiny excuse for a g-string so that he was stark naked before me. My eyes widened in appreciation as I looked over his muscular body - and then he pulled me to him and began dancing with me.

The music sounded vaguely like jungle drums, and as we moved to the rhythm of the beat, the feel of his well-toned muscles and rock-hard cock against my scantily clad body set my pulse racing. My pussy had never been hotter, and I felt like a junkie in need of a fix. Mike's body was so blatantly on offer that mine became a writhing mass of lustful sensations.

To be honest, I had come to my hen-party more or less expecting this to happen, and had dressed for the eventuality. Not bothering with any kind of underwear I had worn my skimpiest dress, which was barely decent, my highest heels and a pair of hold-up stockings. I have a good figure and wear a DD cup bra, so I knew I looked good, and as this was the last chance to go wild before my big day I intended to go all out to have a good time.

And so I had watched Mike undress, and as each piece of clothing hit the floor I'd become more and more aroused. He was a good dancer, and he had looked me right in the eyes as he cast

off his clothing, so I knew his performance was just for me. It made me feel special and the thought that I was responsible for his massive erection made me twice as horny as I might normally have been.

I could barely keep my hands off him as he rubbed his body against mine on the dance floor, simulating having full-on sex with me in front of the crowd. I almost came on the spot when his hands travelled down my back and grasped my buttocks as he dry-humped me through the skin-tight fabric of my tiny dress. My pussy was aching so hard that I could barely keep control of my body and my hand snaked between our dancing bodies to find his huge erect cock.

He kissed me deeply, his tongue pushing urgently between my lips as I held his rampant member. Everyone clapped when he eventually moaned loudly and urgently removed my fist from his cock. We danced for a few more minutes, allowing our movements to become less overtly sexual as time went on, and when he made his bow and someone tossed him a robe he shrugged it on and took my hand and we left the dance floor together.

Pushing through the revellers, Mike led me towards the emergency exit, but before we got there he turned down a corridor and guided me through a door marked "Staff Only". It was a small room where the club staff changed their clothes and took their breaks. Mike told me that the manager allowed him to use this room now and then. It was nothing special but it had a worn couch which looked comfortable, and when Mike had locked the room from the inside we both began undressing one another in an almost frenzied fashion.

Mike lost the robe, and all I had on was the dress. Once I was naked too, he drew me into his arms and began kissing me again. His lips were hard and possessive and his tongue worked its way deep inside my mouth, playing with mine as we French-kissed.

I explored his hard body, running my hands across his smooth chest and down his powerful arms, while his fingers toyed expertly with my nipples, rolling and pinching them to make them ultra sensitive before he tongued and sucked them, elongating the sensitive buds until I felt I would pass out from the pleasure.

My hands dropped to his erect cock and I gently wanked his thick cock, my pussy leaking with desire as I felt how large and thick it was. Cupping his shaven balls with one hand I fed his cock-head into my throbbing slit, simultaneously draping my arms around his neck.

His hands cupped my buttocks and I took my weight on my arms and wrapped my legs around his waist. Then he slammed my back against the wall to get his balance and shoved himself balls-deep inside me. My pussy began to quiver as it started to spasm and contract around his thick prick. I kissed him harder, biting his lip in my passion as he slammed me once more against the wall, trying to bury himself even deeper inside my throbbing cunt.

My back arched as he thrust harder, and I felt him brace himself as he got ready to unload his spunk inside me. It was the most intense fucking I had ever had: my pussy being repeatedly pranged by his stupendous cock as it pumped me with ultimate force. Not giving a damn who heard me I cried out loud as I came, my long nails raking his back as I came off hard and he jetted his load inside my greedy slot.

Well, it was my last night of freedom, and you can't blame a girl for making the most of it!

Petite Darcy's dress might suggest Rupert Bear to some older readers, but there's no doubting what ideas she puts in everyone's mind with her nubile 20 year old body!

"I'd certainly hope so! The idea of all your readers getting nice stiff pricks while looking at my pictures is so exciting – I can't think of a finer compliment than them wanting to wank off all over me! I'll definitely be doing the same thinking about randy guys all over the land tugging over my pix!"

So there you go – don't hold back!

"I bet you'd love to slide your hard prick between my melons before reaming it up my dripping snatch, wouldn't you?" teases Lucinda, 21. Er, yes we would!

MIA

There are thousands of varieties of sex toys out there, but Mia here swears by her magic wand, which has been her favourite ever since she treated herself to it a couple of years ago…

"Yes, it's so powerful. I've got quite a few vibes and they're all nice – and they all bring me off sooner or later, but nothing can top the clit-thrilling buzz I get from my wand. One time last year I gave myself five orgasms in a row! I was completely drained by the end, but I just couldn't help myself!"

Somebody ought to sort this girl out with a proper cock, quick!

Danni Marie

Eagle-eyed readers might twig that Danni Marie cropped up in Show Us Yours a few issues back, and we're delighted to say that she enjoyed the exerience so much she's deceded to give the modelling lark a bit more of a go!

"Yeah. For a long time I'd fantasised about posing for some photos for Escort, and when I finally did it it was so much more exciting than I'd anticipated. Knowing that all your readers are going to be getting off on looking at my juicy little pussy was such a turn-on I figured I needed another hit!"

TEXT A HORNY MILF TODAY!

Some women just give you the horn. Lots of desperate older women who love sex, get frustrated when they're not getting enough cock. That might include the nurse who took your blood pressure or the cheeky cashier at your local supermarket. The one thing they have in common is you would love to shag the arse off all of 'em.

You might not get the chance to have a go on their bones but you can swap filthy pictures and tell them how much they give you the horn. You know she's gonna fucking love it.

We can hook you up with hundreds of filthy women but be warned, these women are looking for explicit text chat, not just swapping recipes and chats about Eastenders. If you love MILFS just go to: **www.lovemilfs.uk**

04. Erin

"I like to keep this fella in my bag whenever I'm out and about," confesses the randy 30-year-old. "I'm often to be found having a wank in the toilets at my local shopping centre!"

05. Jane
LAncs

"I love the feeling of having both my holes filled at the same time!" says Jane, 41. "So far it's only been with the help of a toy, but one day I'll take on two cocks!"

MY FAVOURITE D

What woman wouldn't like to suck on warm, throbbing cock all day long? Unfortunately there's not always one to hand, so here's what they like to get up to in the absence of the real thing...

06. Jess
Bucks

"Thank God for the waterproof vibrator!" gushes 21 year old Jess. "I don't consider it a proper bath unless I've had at least one wank, and this little fella hits the spot every single time!"

07. Mariah
Hampshire

"My dripping cunny's always ready for a good work-out!" says randy Mariah, 33. "This one's my primer, and then when I'm good and ready I move on to one of my bigger toys that'll fill me completely!"

Stacy

After Satine last issue, we've got some more bath time fun and games for you this time round, courtesy of Stacy – what is it about women and baths?!

"Well, you're lying there, naked, with nothing to do for an hour or so, so it's virtually impossible not to have a wank, isn't it?" insists Stacy. "I've been known to have baths that last three hours – especially when I've remembered to bring one or two of my waterproof toys in with me!"
